

Stacie Calian, DDS, MPH, MS

Take care of all your family's dental needs at Westchester Smile Design, a comprehensive practice where technologically advanced, personalized care is both an art and a science. Dr. Stacie Calian, her team of specialists and the entire staff at Westchester Smile Design are dedicated to providing excellent care and the full range of dental services for patients of all ages in an office setting that is warm, friendly and thoroughly professional. "Our patients come and leave smiling," reports Dr. Calian, "and it's not just because we serve warm cookies, offer warm towels and provide DVDs for each patient chair."

A Georgetown University-trained cosmetic dentist with extensive experience in Lumineers (laminates that don't require drilling or anesthesia) and Invisalign clear removable braces, Dr. Calian is an artist who creates beautiful, dazzling smiles. She also practices Conscious Sedation Dentistry designed to provide patients with a stress free, relaxing patient experience. Dr. Calian is also featured on the health

channel in Westchester called "Phenomenal Health", a 30-minute segment on oral health and cosmetic dentistry that airs on Channel 18. Along with Dr. Calian, Westchester Smile Design includes an oral surgeon; an endodontist and an orthodontist. The team offers numerous dental procedures such as porcelain veneers, implants, teeth whitening, bonding, permanent crowns and bridges as well as laser dentistry, general and cosmetic dentistry as well as orthodontics.

Westchester Smile Design's use of the latest technology means exceptional care, a comfortable experience and superior results. In addition to the Conscious Sedation Dentistry, the state of the art office features digital x-rays, air abrasion (cavity filling without needles), DIAGNOdent (hand held laser for cavity detection) and video imaging to show patients how they will look after cosmetic dental procedures.

For exceptional care, visit Dr. Calian and her dedicated team at Westchester Smile Design.
